

# “Above The Cloud”

*Isaiah 40:1-5 - December 17, 2017*  
*Sermon Preached by Senior Pastor RD Wade*

## Life Application Notes:

Even the strongest people get tired at times, but God’s power and strength never diminish. He is never too tired or too busy to help and listen. His strength is our source of strength. When you feel all of life crushing you and you cannot go another step, remember that you can call upon God to renew your strength.

Trusting in the Lord is the patient expectation that God will fulfill his promises in his Word and strengthen us to rise above life’s difficulties. Do you believe God loves you and wants the best for you? Can you relax, confident that his purposes are right? Are you convinced that he has the power to control all of life—and your life as well? Though your faith may be struggling or weak, accept his provisions and care for you.

## ***1. Expect a turn around as evidence of your preparation for the Lord. (vs. 4)***
